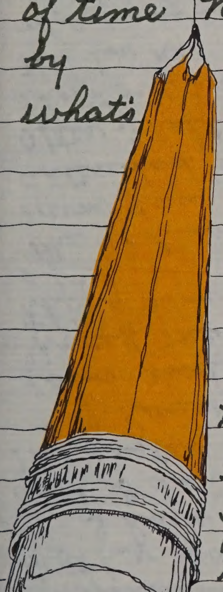
or was it William's farm?

No, the picture you sent of James Bayes farm wasn't familiar to me but I can't say that it wasn't his. I only remember the one that we bought from them which is 2½ miles N.E. of Shepherd, Isabella Co. I was in that vicinity after Wilma's funeral last fall but every thing has changed so much. Large maples were all gone from the yard, house remodelled - tho not improved. The only area that I recognized was the front steps where a friend and I used to sit for our reading contests. Choosing a book, one would read aloupd until making a mistake then the other took her turn. It was such fun! Kids would think it a waste of time now when they could get their entertainmt by merely pressing a button. Doesn't matter what's on - anything moving they will watch! I think our whole country is moving backwards - but the Bible says the world will get more wicked until the end of time. It is now being fulfilled!



My daughter Lucile & her grand daughter Kristen 17, to are in Europe for the summer. My Daughter Kathryn & husband from B. Creek are also over there sirth a touring group for 2 wks. or so. The rest of us stay at home - and enjoy that, also.

I fell in my apt. last November 27th and fractured a disc in my back but with a walker I get along very well. I only hurt when I take off without it. So I can't complain about any thing. I can still see to read and write and have no pains anywhere. I do no work except get my meals, wash dishes & laundry, either make my bed or shut the door—usually the latter. Riding doesn't bother so I go whenever asked.

I have one brother, Otho. He & Jean live at Mesa and I don't think he is able to make the trip to Mich. My sister Vena resides at Zephyrhills.

I have the story of my life written in booklet form and had it typed for each of my kids as it irked me so that I never asked my parents any thing about their back ground. In later years, after the Civil war—my mother's people embraced the Adventist religion. I have no idea whether Mom ever did as when I was a child they never attended any church. They both accepted the Lord after I left home at age 19. I'm sure I have grieved the Lord many times since I became a Christain; but He, in his loving kindness and mercy, forgives our many weaknesses and we are justified in His sight.

The New Age movement is one of the latest of the menacing cults. What a hard world it is for young people today! Do you ever hear Dr. James Kennedy on T.V. He is trying to stamp out pornography literature & tapes but needs much help. I asked our Sr. Sunday School teacher why someone in our small town did not do something about it here. He said "no one wants to get-involved". I agree it could get nasty—but what it is doing to our young generation is so hideous. Just let it happen to one of our own little grand-children—something surely would awaken us out of our complacency!

I have to use this dark pen to see better what I have written. Hope it does not bother you.

Well, rather than close on this note I'll play you a tune. How about "Twenty Froggies went to School?" Or "K-K-K-Katy? I would go out and take a walk but seem too tired. Temp was 96 yesterday—not so bad today. I even made chili for dinner (noon) to use up some odds and ends I had in refrig. Please excuse this note. Will try to do better next time. Ha!

Love. Cousin Opal.

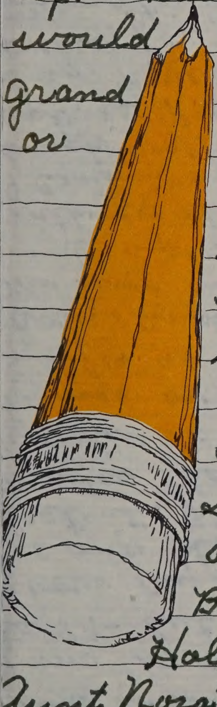
Dear Cousin Roena:

I don't remember whether I replied to your letter of Apr. '88 or not — but shame on me if I didn't. Of all the pictures you sent, I knew none of them tho some of the names seemed a little familiar as in a dream. The only pictures that I have that you might like are one of James & Catherine Bayes, the enlarged one of the James Bayes family, and one of their homes after they moved to Michigan which we later purchased and where I grew up. I had a happy childhood there. If you would like a copy of them I will have my grand daughter Analee take a snap of them or something when she has time.



By the way the pictures you sent me were such distinguished looking people I would be proud to call them relatives on that merit! Ha!

We had a Bayes reunion 2 or 3 weeks ago at a Restuarant between Alma and St. Louis, Mich. at which 17 Bayes cousins attended. Descendants of 5 of the James Bayes children were present. Mildred & Hollis were there. Wilma Fickle Stilgenbauer, Aunt Nora's daughter died in November, I think 4 days before Thanksgiving in Hos. in Mt. Pleasant, Mich.

They had no children. Her husband Maynard lives alone at their apt. (Sr. Cit. Apt.) there in Mt. Pleasant. I am the oldest of the group – that is, my body is 89+ but I like to think that protuberance above my shoulders is still quite alert. I have no one to play a game of scrabble with to test it. How about you, Raena? Did your brother master the harmonica? I hope so! I find it harder to play these days due to my heart or lungs or both. I plan to go to family reunion July 16 at Bryan, O. on my husbands side of the house and I'm supposed to play a few tunes. Wish me luck, won't ya?

Our perennial flower garden is really flourishing with all this rain. I slept thru the storm last night. I can't even hear the wind blowing with these thick brick walls. It was once an elementary school. My apt. is 4' underground with a large ceiling fan so I am never too hot. We have Madonna lilies, Coral Bells, fox glove, 20 some roses, pinks (miniature carnations) heliotrope, (rosy red) and bleeding heart in bloom now, also flame lilies in bloom at present. Lupines and Oriental poppies (pink) have come and gone. Some new perennials won't bloom until next year. Analee is young, 40, so she will enjoy them. I've had my years of pleasure with flowers and working in the garden was next to making arrangements. I loved it all. My only concern was dying with dirty feet!

Herschal Bayes and wife stopped in to see me last Sept. I was asleep in my chair in front of TV with my door open to the lobby. He walked in, tapped me on the shoulder and asked if I was Opal Bayes. He then brought his wife in and we warmed up the atmosphere in a hurry.

I was surprised to see the picture of the Bayes cemetery, & the street sign of which I never knew existed – and Grandpa's discharge from the Army. I don't know if he ever was in Libby & Andersonville prison but both my Grandpa Fairchild & my husband's grandfather Smith were and they each wrote their war experiences – they were so near ~~the~~ alike that their was no question as to the truth of it all.

JAMES BAYES AND GRANDCHILDREN

This picture was probably taken ca 1907 - 1909. The children in the picture were probably born between 1898 and 1909. Uncle Jim would have been about 63yrs. of age. This picture would have been taken around Uncle Jim and Aunt Kate's 40th wedding anniversary.

Dear William Lane,

It's been a long time since we ran around on your grandpa and grandma's farm. I sure did love staying down at Uncle Charley and Cassies. One of the things I especially remember was going down to Minnie and Luthers and playing the player piano. Too bad but that's the only kind I ever learned to play too.

Have not been able to get back to Bryan except for a very few days in the past two years as brother Al was not doing very well. Now he is in the VA Hosp. in Martinsburg, W VA. He has rheumatoid arthritis and cancer. We just got him in there after being hospitalized twice and in a nursing home. Hope they can do something for him and if not at least make him more comfortable. The nursing home didn't have much to offer. Nephew Darrell is here and we're going down to see him today. We were down on Monday and he was settled in and comfortable. His mind is wonderful but otherwise he is pretty weak.

Well I heard thru Mary Etta Culler that you had joined the Wms. Co. Gene. Soc.. Hope that means you will be willing to help me out a bit. I have put together a considerable amount of information on Uncle Jims' Family and would like to have more info on Minnie and Luthers' line. So, I have taken the liberty of sending the family sheets and would appreciate whatever you could fill in for me.

This has been one long cold, snowy and icy winter. Have not been able to get around very much, just stay inside and look out.

Thanks for whatever help you can give me. If I get to Ohio in Apr., depends on how Al is doing, maybe we could meet for lunch.

Hope to hear from you.

Your cousin,

①

Dear Roena,

Sorry its taken me such a long time to get this to you. It sure fills in a lot of gaps in what I had and I found that Greg's mom got some of the names in the wrong order. Got this all from Opal yesterday & thought I'd copy it off quick for you.

Sorry this note is so short but our mailman isn't very reliable as far as the time he comes (anywhere between 10 am & 3 pm).

I'll write again when I can.

My great-great=great-great grandfather was Stephen. I have no other information on him.

His son,James married Agnes and her grave was found by my first cousin, Roena Bayes in the abandoned Parker Methodist Cemetery in Millersburg,Ohio.%The headsone confirmed dats and we have a good clear picture of the stone. Her witness was another cousin.Anna Buda who lives in Bryan Ohio. Her brother, Hollis also lives in Bryan.

The second wife of John was Jane McMillan ~~whose maiden name was~~ Stanton.
~~John and Agnes had James who married Martha~~. No maiden name. We think that he was born in
Somerset County PA.

James and Martha had Thomas who was born in
Wauseon and married Catherine (Katie) Haley. James & Martha
*~~They~~ are buried in Fredericksburg ~~in the~~ East Cemetery. I have a picure of myself next to the rose granite obelisk.

Thomas, my great grandfather was born in Wauseon January 30, 1818. He is buried in Farmer Cemetery. Catherineis buried in the Bayes Cemetery in Wauseon. ~~(maye they were mad at each other!)~~ I have a clipping from a newspaaper showing that land for a church, a school and a cemetery was donated by Thomas.
We have been to the Bayes cemetery, have many pictures including one of the Bayes street sign.

Thomas and Catherine had my grandfather James who was born either in Hicksvile or Farmer and married to Catharine Lehman who was born in Brunersburg. James was a civil war veteran having lied his age and volonteerd? when 16 years of age. I have his enlistment, discharge and pension papers.
James had ten children and my dad was the last (unexpectedly)for Catharine ws 44 years of age.I have a beautiful picture of the family with all the children grown except my dad. My dad was born in Farmer and my mother, Besssie May Bartholomew Bayes was born in Martins Corner, Allegan County, Michigan. Her mother, Mary Pierce Bartholomew died when only twenty five years of age and she was raised along with her sister and brother, by her wonderful stepmother who then had eleven children by my grandfather, Emanuel.

James Boyls was in the battle of Deep Bottom, Va
Engaged in seige of Moultrie Island, S.C., Sept 1863
was also in battle on Johnson Is., S.C.
Was in battle at Fossile Mill, Va., which

Sun Stroke at Dutch Naps, Va.
Had a difficult time proving the sun-
stroke but the file showed affadavits from
people who attended him so he was
awarded disability.
Lied his age at 16 to volunteer, claimed
he lived in Clinton, Ohio, the town where
he enlisted for 3 years.
I found Moultrie and Johnson Islands
but ~~on~~ nothing Fort Waganer except that it was
in South Carolina, ~~and~~ I could not locate
Dutch Naps or Deep Bottom but all were
probably gone after the war.

November 6, 1984

Dear Bayes persons:

Just a short one tonight. We had a mimeo letter yesterday from Steven Daniel Bayes of Monticello, Ill. He too, apparently, is putting together Bayes history. Before I duplicate anything, I wanted to check with you to see if you too heard from him and if you are going to send him any records. No use of us all doing it.

The weather has cooled off and we have had rain on and off. It is supposed to rain for a couple of days then sunshine.

Roselynde and Bill celebrated their 25th Wedding An at our place last weekend and everyone got here except Nancy Ann who couldn't get away from the

university at Santa Barbara.
Took Wayne to have his cataract operation looked at. It was great according to the doctor. He'll have to medicate it for 4 or 5 weeks yet.
Finally finished my sprinkler system and repaired the lawn. Now when my photo supplys come from New York, I'll start printing.
I guess that I asked you about the history of the ruby glass that you gave us; and the possibility of a plat plan of the cemetery at Millersburg.
Now, how could we find out where the regiment fought to which our grandfather was attached? Would the civil war archives have that information?
Give me a clue and I'll follow up.

Take care you three
Love
Hersch

10/12/84

Dear Roeno, Mary & Al -

Surely hope this finds you all well and enjoying lovely Fall weather. We very nearly didn't make it out of G.R. on our scheduled day due to fog. They cancelled our original flight, but we were able to get out on one three & a half hours later. Delays all along the line, but arrived in St.L. by 3:30 P.M. — just in time for the evening traffic snarls!

All well here and weather quite mild after some unexpected rain day before yesterday. (It was 70° at 7:00 P.M. this evening)

I think Hersch was quite

2.

successful in finding out many things, but of course, he's much puzzled by much of what he did find. We did have one little surprise in Wauseon. We found the grave of the former superintendent of our Juvenile Hall in the Bayes Cemetery! I'm certain Otto Myers would be just as surprised to find himself there as we were & probably very unhappy too, as Hensch fired him from that job. He didn't prosper in Santa Cruz and I'm sure there was a lot of bitterness.

We very much enjoyed meeting Anna and I hope you can provide us with her address! She is certainly a lovely person, and I hope we will see her again.

3. Mary's "survival basket" was indeed a God send. We enjoyed it all the way to G.R. One evening we had fruit for our dinner as we had had a rather full lunch. Many thanks! Also her book was very handy, as all my notes (& there were many) were in one place and easy to refer back to.

Many thanks too for sending off the pewter - it arrived in perfect condition and I'm sure is going to be much enjoyed. Nanette is coming up for the weekend and we hope to all go to Sausalito for dinner if the weather holds. We will have a small reception on Sunday with their close friends. Unfortunately Nancy won't make it.

4. Thank you all again for your warm hospitality and I hope you will allow us a chance to repay in kind.

Love & best wishes –

Francine & Hersch

I'd be remiss in not adding my thanks for your kindness, good bed, good food and good company. Al, no doubt you're a Bayes and Mary, you're so talented, you could pass for a Bayes! You may be 4'9" but you stand 5'11" in our book. We sure loved that house but wish you had a double garage with electric door. But if you're like this Bayes, I can fill a double garage as fast as a single! We love you for your hospitality and hope we can meet again one day.

Hersch

Addendum

We received all of your documents in good order and most interesting! May just help to muddle things too; your note on John Bays indicates that he might be the brother of John Bayes Sr., born 1779. My guess is that "John Bays" is John Bayes Jr., born April 30, 1805 or when our John Bayes Sr was 25 or 26 years of age. John Sr. did have 8 children born between 1798 and 1805 or 1806 and the last born was John.

John Jr. married Jane Staton (maiden name McMillan) who had 4 children, only one left when John Sr. died; Susan. Could she be our Susan in the will of John Sr.? John Jr. died in 1851 and Jane married for the 3rd time, Mr Cornell; or doesn't that just make a good guess. Anyhow, the dates work out. I'd be interested in your comments — also Al's!!

Francine and I just getting over colds from Michigan. Wayne had his cataract operation yesterday and I brought him home last night, pretty groggy. He seemed OK today and Michelle took him to the Dr to have his bandage changed. Roz will take him next. The weather has been great until yesterday and we must have had an inch of rain. Sunny today but more rain expected!

I would wonder if any of John Bayes Jrs' girls stayed in Somerset County and married? I think the Stephen is buried at Wauseon, At least, a Stephen Bayes, born 1828 is buried there. The girls probably went to Ohio too. These are the pictures that we couldn't identify. No hurry.

Dog-gone! this is getting a little windy, this letter.

I suppose that you have seen most of these headstones. Have you identified any or all? The rest of the pictures are those that we didn't put a tag on. I can guess at some but I know that you have a make on them.

I was wondering — if you don't get to check in person with the mortuary or the old sexton, if they wouldn't answer an enquiray? I have a hunch that you will nail it down!

Well, good luck on your trips and don't let the pictures hold you up.

Love
Dusch and Francine

Bayes, one and all:

In Wauseon cemetery -
The bench that says "Bayes"
near the graves of Meek + Catherine;
there are graves of Nancy E. Bayes
+ Campbell Bayes - and right
next to them is a stone that says
"Ayers". According to the records
Elizabeth daughter of Wm + Mary (Tedrow)
married David Ayers. This would
be a sister to Meek - so presumably
the Ayers stone is of the family.
Unfortunately we didn't get the info.
from it, as we discovered the connection
after getting home. Do you have any
other info. on the Ayers?

Francine

Dear Cousins and Cookie:

Well, home again and although we enjoyed every day of the 21 that we were gone, it was nice to get here, see the family and sunshine.

Never saw so many trees, soybeans and corn! Didn't get a chance to play golf with Lela's boy but it wasn't high on my priority list.

We surely enjoyed Anna in spite of such a short visit. Darell has changed since the picture in your bedroom but had no trouble recognizing him. I'll need you or Anna to give me his parental background, his own two marriages and children, etc. Anna is going to check for the address of his estranged son in California and possibly, we can check on him.

We couldn't believe the number of Bayes' in the records in Ohio and Michigan and all probably related one way or another.

We were able to tie Grandma Catherines twin sisters together and some children but my goodness, Lehmans are like Smiths!

I'm writing this and watching the world series, first game at Detroit; and San Diego not doing so good, 5-1, Detroit top of 4th. I'm not really a fan but I'll always watch the playoffs and series. Much rather spend my time playing golf, tinkering or in the yard. Even though I played football, I don't fight crowds and traffic to see the 49ers. My neighbor gave us two tickets for the Giants-49ers and we gave them to Roz's husband and he'll take his son Mark, or Mimi's husband Mike. Maybe next week, we'll go South and see our granddaughter Nancy at U.C. Santa Barbara, our oldest girl Lilabeth and also go on down to Malibu and see another Granddaughter, Nanette. Maybe even down to San Diego to see old friends and play a little golf and swim.

OBITUARY.

Catharine Bahr, wife of Christian Lehman, born in Bavaria, Germany, April 9th, 1814. died March 26th, 1882, aged 67 years, 11 months and 16 days. She came to this country in 1835, and was married the same year and moved to Defiance county in 1836. She united with the German Methodist church of which she was a member for several years, afterward uniting with the Evangelical association of which she was a faithful member until death. She leaves a bereaved husband and ten children (two having preceded her to the house above) with a large circle of friends to mourn her loss. But not as those who have no hope; for she sweetly fell asleep in Jesus. She was a faithful wife, a loving mother, and a sincere christian. She often spoke of death without fear; and although she was called away without a moment's warning, yet we rest assured that she is now in the presence of her Savior whom she loved and trusted while here on earth.

The husband and children of the deceased, return their heart-felt thanks to the neighbors and friends who so kindly assisted them in their bereavement.

LEHMAN FAMILY

Christian and Catherine (Bahr) Legman

In 1830 my great grandfather, Christian Lehman (born Bavaria, Germany, April 12, 1811) accompanied several of his brothers to America and settled near Dayton, Ohio, where he learned the cooper's trade. By 1834 he had proven to himself that he could succeed in this new land, and he sent back to Bavaria for his sweetheart, Catherine Bahr (b Bavaria, Germany Sept, 1814). Christian met her in New York, where they were married. In 1836 the couple left the Dayton area and moved north to Brunersburg. Christians's brothers settled elsewhere in Defiance County.

Over the years 12 children, 2 of whom died in infancy, were born to this union. The surviving 10 grew to maturity, married and had families of their own. They were Mary Eliza Lehman Williams, 1837-1895; Malinda Lehman Blakeslee, 1841-?; Catharine Lehman Bayes, 1842-1926; Christopher Lehman, 1846-?; Caroline Lehman McCauley, 1848-?; George N. Lehman, 1850-1942; Daniel H. Lehman, 1852-1908; Emma Lehman Partee, 1855-?; Filmore Lehman, 1857-?; Etta Lehman Depee, 1859-?.

In 1855 the Lehman family moved out through the forest to found the farm where State Aroute 15 curves to the north in Noble Twp., just south of its junction with Bukskin Road. Christian's selection of that particular area was motivated by the trade he had learned. There was a great number of large straight-grained oak trees which were ideal for splitting into barrellstaves. During the winter months when farm work was slack he made barrells which he sold in Defiance. But first he cleared a spot for a log cabin.

By 1865 when the cabin had become too small for his growing family, he built a nice big brick house to accomicate them in comfort. His son George (my grandfather) recalled hauling most of the 35,000 bricks used in the building. He would take a load of finished barrells from the cooper shop to Defiance and bring back a load of bricks from Thorpe's (Trompe's?) Brick yard on the return trip. Grandfather was 15 years old at the time.

Christian Lehman loved the land, and kept adding to his acres until they numbered 400. And his brick house proved to be a good solid house that sheltered the family for many years. Catherine died sudddenly in 1882 at the age of 67, and after that Christian divided his land among his four sons and gave his daughters the equivilant of its value in cash. He then lived until his own death with his youngest son, Filmore, in Hicksville. The home Filmore had built for his family on what was then farmland is still standing on West High St in Hicksville.It is still occupied. In his early days there, Filmore decided that a small stream on his property would look pretier crossing a corner of the home environs, so he diverted it to do so. In justifying his extravagence he explained that having a beer income didn't mean he couldn't entertain champagne tastes. However, he later changed the stream back.

Christain died in 1801, aged 80 years, and is buried with Catharine in Brunersburg Cemetery. A newspaper account of his passing says of him: "He was a good citizen, strictly honest in all his dealings with his fellows and a good and affectionate father."

1844/45 –

I wish I had known him. So few little bits and pieces defining his personality have filtered down the years to his great-grandchildren. My father, Orren Lehman, remembered that he kept a wine cellar, and would occassionally give him a little nip when he was a youngster. (Dad must not have liked it, since he was a teetotaler all his life.) My Uncle Sam Lehman remembered seeing him when he was a small boy. He had just come in from the cold, wearing a heavy fur coat and cap, and was standing by the base burner warming his hands. He was smoking a large pipe with a long curved stem and a fancy metal lid over the bowl.

There are so many things I'd like to ask Christian about that long-gone era. Ane I'd like to tellhim that in 1980, when the old brick house was finally razed, my daughter Terry, (his great-great-grandaughter) and I happened to drive by, and we salvaged several bricks and one of the big iron stars from the top of the house. Lest we forget!

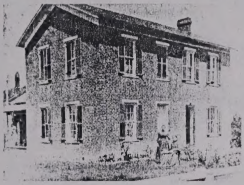
LEHMAN, CHRISTIAN AND CATHERINE (BAHR)

F324



Catharine Bahr Lehman (standing), one of her daughters (sitting) in front of great grandparents' home built in 1866 in Noble Township.

In 1830 my great-grandfather, Christian Lehman (b. Bavaria, Germany, 4/12/1811) accompanied several of his brothers to America and settled near Dayton, Ohio, where he learned the cooper's trade. By 1835 he had proven to himself that he could succeed in this new land, and he sent back to Bavaria for his sweetheart, Catharine Bahr (b. Bavaria, Germany, 4/9/1814). Christian met her in New York, where they were married. In 1836 the couple left the Dayton area and moved north to Brunersburg. Christian's brothers settled elsewhere in Defiance County.

Over the years 12 children, 2 of whom died in infancy, were born to this union. The surviving 10 grew to maturity, married, and had families of their own. They were: Mary Eliza Lehman Williams, 1837-1895; Malinda Lehman Blakeslee, 1841-?; Catharine Lehman Bayes, 1842-1926; Christopher Lehman, 1846-?; Caroline Lehman McCauley, 1848-?; George N. Leyman,1850-1942; Daniel H. Lehman, 1852-1908; Emma Lehman Partee, 1855-?; Filmore Lehman, 1857-?; Etta Lehman Depee, 1859-?.

In 1855 the Lehman family moved out through the forest to found the farm where State Route 15 curves to the north in Noble Twp., just south of its junction with Buckskin Road. Christian's selection of that particular area was motivated by the trade he had learned. There were a great number of large, straight – grained oak trees which were ideal for splitting into barrelstaves. During the winter months when farm work was slack he made barrels which he sold in Defiance. But first he cleared a spot for a log cabin.

By 1865, when the cabin had become too small for his growing family, he built a nice big brick house to accommodate them in comfort. His son George (my grandfather) recalled hauling most of the 35,000 bricks used in the building. He would take a load of finished barrels from the cooper shop to Defiance, and bring back a load of bricks from Thorpe's (Trompe's?) brick yard on the return trip. Grandfather was 15 years old at the time.

Christian Lehman loved the land, and kept adding to his acres until they numbered 400. And his brick house proved to be a good solid house that sheltered the family for many years. Catherine died suddenly in 1882 at the age of 67, and after that Christian divided his land among his four sons and gave his daughters the equivalent of its value in cash. He then lived until his own death with his youngest son, Filmore, in Hicksville. The home Filmore had built for his family on what was then farmland is still standing on West High St. in Hicksville. It is still occupied. In his early days there Filmore decided that a small stream on his property would look prettier crossing a corner of the home environs, so he diverted it to do so. In justifying this extravagance he explained that having a beer income didn't mean he couldn't entertain champagne tastes. However, he later changed the stream back.

Christian died in 1891, aged 80 years, and is buried, with Catharine, in Brunersburg Cemetery. A newspaper account of his passing says of him: "He was a good citizen, strictly honest in all his dealings with his fellows, and a good and affectionate father."

I wish I had known him. So few little bits and pieces defining his personality have filtered down the years to his great-grandchildren. My father, Orren Lehman, remembered that he kept a wine cellar, and would occasionally give him a little nip when he was a youngster. (Dad must not have liked it, since he was a teetotaler all his life.) My Uncle Sam Lehman remembered seeing him when he was a small boy. He had just come in from the cold, wearing a heavy fur coat and cap, and was standing by the baseburner warming his hands. He was smoking a large pipe with a long curved stem and a fancy metal lid over the bowl.

There are so many things I'd like to ask Christian about that long-gone era. And I'd like to tell him that in 1980, when the old brick house was finally razed, my daughter Terry (his great-great-granddaughter) and I happened to drive by, and we salvaged several bricks and one of the big iron stars from the top of the house. Lest we forget!

LEHMAN, GEORGE N. AND MARY T. (PARTEE)

F326

George N. Lehman's farm was on Buckskin Road just west of his father Christian Lehman's old homestead. In 1872 he had married Mary Talitha Partee (1851-1939), the daughter of James A. and Eliza (Hood) Partee of near Sherwood. James was one of the oldest pioneers of northern Ohio, having come here from Ross Co. with his parents in 1824. George and Mary were my grandparents.

Mary Talitha had been a teacher. As Miss Partee, she taught at the old Lehman-Hornish School in Adams Twp. when she was 15 years old. She was paid $15. per month, out of which she paid $6. for board. She cleared $.45 per day for 20 school days per month. Later she taught in the old frame Brunersburg School for $18 monthly. She had 35 students there. Her sisters, Clara Partee Hayes Miller, Dolly Partee Lovejoy, and Idella Partee Bloom, were teachers also. I remember her telling me that when they attended "Normal School" in Defiance, it wasn't a good idea for them to hang their hand-crocheted "fishnet" hose out on the line to dry because the mischievous young men in the neighborhood would filch them. Boys evidently were boys, even way back then.

George and Mary had 6 children: Orren E. Lehman (1874-1958); Nellie Lehman Hovis (1875-1943); William E. Lehman (1877-1947); Samuel G. Lehman (1887-1973); Addie Lehman Ehlinger (1890-1935); and Benjamin C. Lehman (1889-1986). They impressed all of them with the importance of education. Three of the group, Orren, Nellie and Samuel attended and/or graduated from Defiance College and began careers as teachers in Defiance County rural schools. Samuel received his B.S. degree

LEHMAN, JACOB SR. AND MARY (WEIS)

F329

Jacob Lehman Sr. was born in Bavaria Germany ca. 1767. His wife, Mary Weis was also born in Germany.

Jacob Sr. was sixty-eight years old when he arrived in Defiance County. He came with his wife Mary, and at least three sons and one daughter. The sons were Jacob Jr. born August 11, 1807, John born ca. 1815, Henry born September 12, 1820, and Barbara born ca. 1813. The children were born in Bavaria, Germany.

In *A Sketch of the Early Lehman Settlers, August 27, 1921* by May M. Bishop, she tells that Henry journeyed with his parents across the great blue sea in a sailing vessel to the Promised Land – our own America! After traveling over the wild, unsettled country for many weeks, they reached Toledo and came by way of the Maumee River on a flat boat to what is now known as the Independence State Dam and landed there.

Henry lived with his parents on a small tract of land now known as the Henry Corressel place. In his twenty-sixth year, he married Mary Jane Williams, a Virginian maiden of twenty-one summers.

They selected this place, the Henry Lehman Farm, as their future home and purchased the land from the government. Here in the thick woods, far from neighbors, he began to cut trees and erect a log house.

The woods were full of wild animals. Turkeys and other small game were usually obtainable. The night music then was not the honk! honk! of an auto, the whistling of a locomotive, or a band concert in town, – ah, no! It was the weird howl of wolves and foxes, as they prowled about hunting for food or the low savage growl of bears. Often, deer would flit by their very dooryard, and the pretty dappled fawns, so fleet of foot, would play tag with one another in the small clearing.

There were no roads, no paths, nor ditches, no fences. When the would go away, they would mark the trees by a gash with their axes, so they could find their way home.

It was a long and tedious journey through tangled woods and marshy undrained land to the trading town – Brunersburg. He made the trip on horseback. The horse was compelled to wade the creek because there was no bridge. First, he visited the old gristmill to get his sack of grain converted into meal. Then he would purchase other supplies which he often paid for in skins and hides.

A few years later, he went to Defiance to mill, and crossed the toll bridge over the Maumee, thereby paying a small fee to get across.

Mary Weis Lehman died in Adams Township April 22, 1841 and Jacob Lehman died August 27, 1850. Both are buried in the Poplar Ridge cemetery, Adams Township, Defiance County, Ohio.

LEHMAN, ORREN E., AND MINNIE G. (MONINGER) AND GLADYS LYRL (ETCHIE)

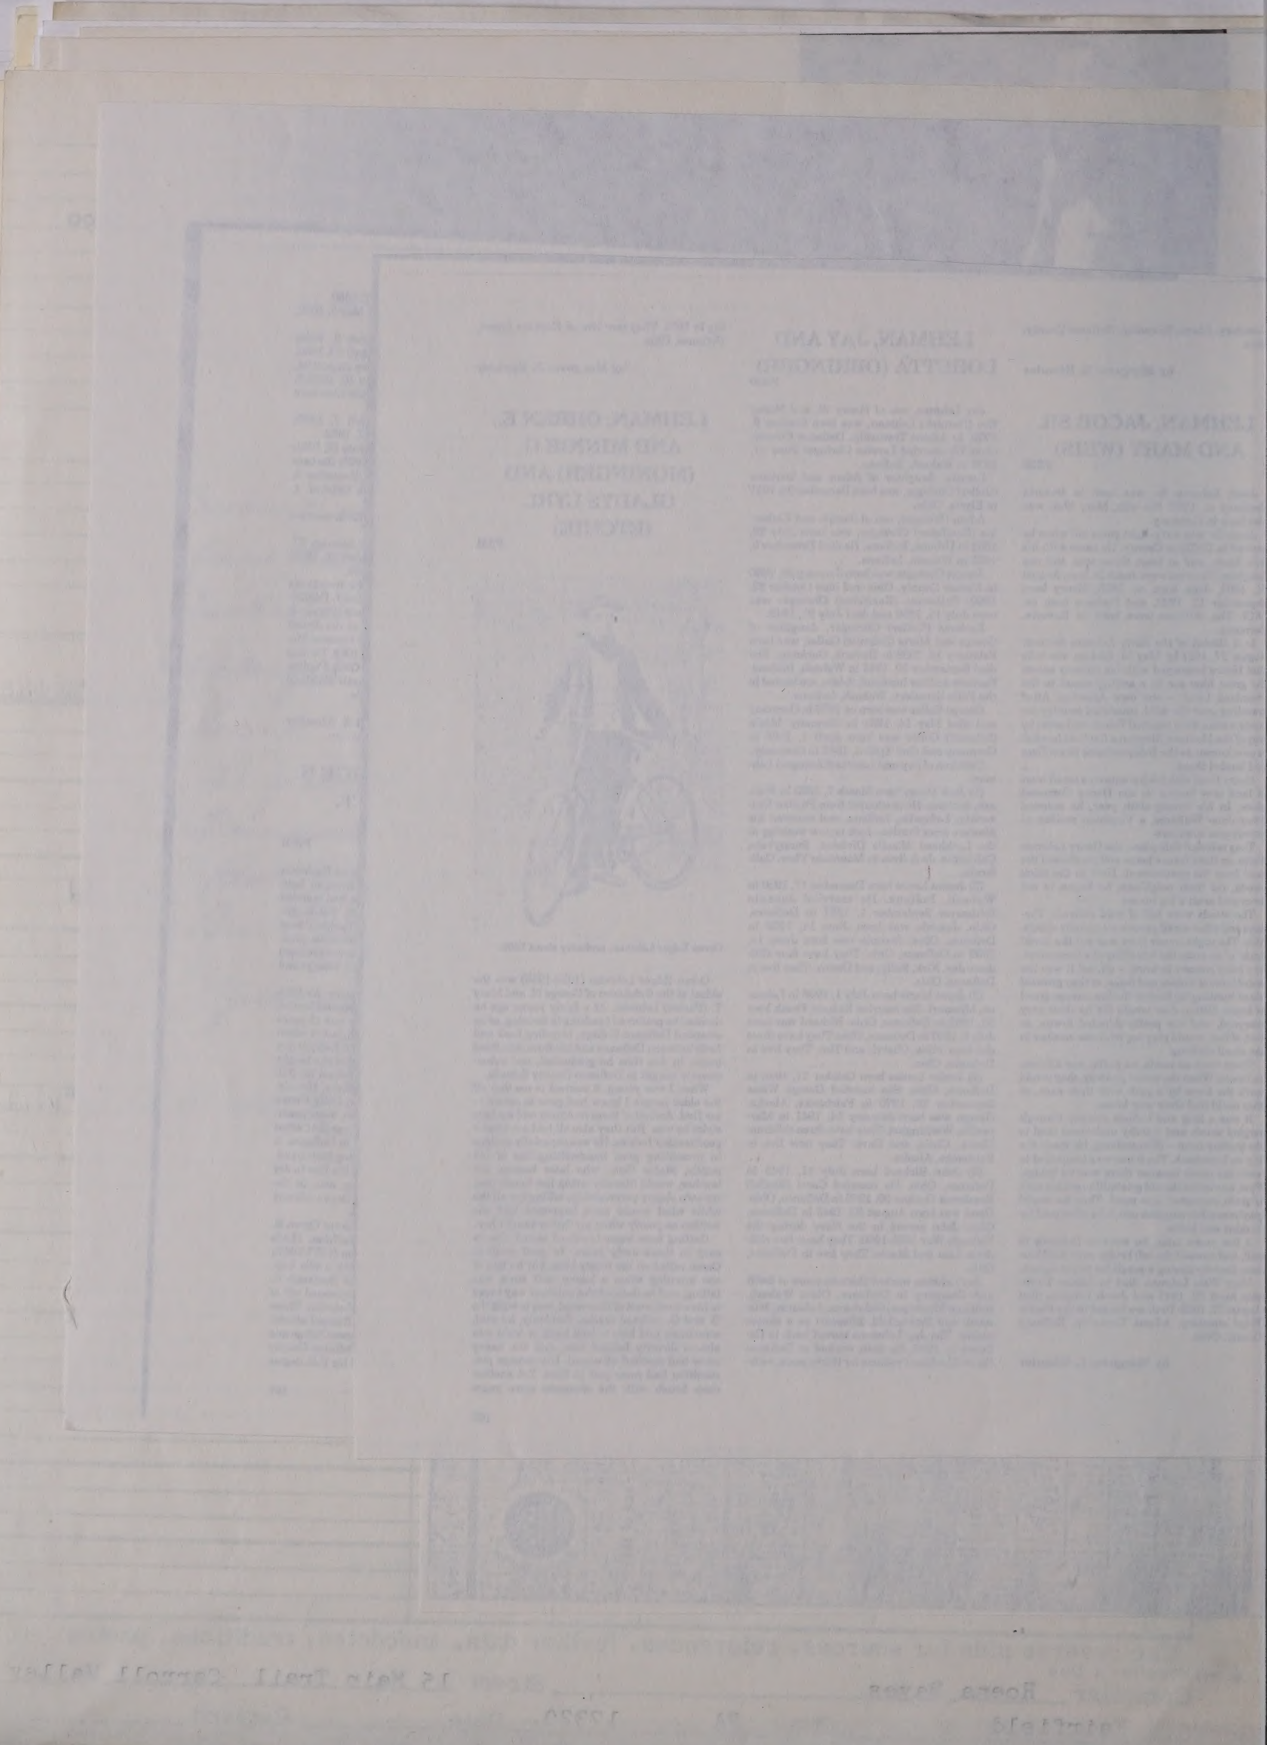
F331

Orren Edgar Lehman, probably about 1898.

Orren Edgar Lehman (1874-1958) was the eldest of the 6 children of George N. and Mary T. (Partee) Lehman. At a fairly young age he decided he preferred teaching to farming, so he attended Defiance College, bicycling back and forth between Defiance and his Buckskin Road home. In due time he graduated, and subsequently taught in Defiance County Schools.

When I was young, it seemed to me that all the older people I knew had gone to school to my Dad. And all of them routinely told me how strict he was. But they also all told me what a good teacher he was. He was especially zealous in promoting good handwriting.One of his pupils, Mable Core, who later became my teacher, would literally wring her hands over my own sloppy penmanship, telling me all the while what would have happened had she written as poorly when my father taught her.

Getting from home to school wasn't always easy in those early years. In good weather Orren relied on his trusty bike, but he told of one morning when a heavy, soft snow was falling, and he decided the quickest way to get to his school, west of Sherwood, was to walk the B. and O. railroad tracks. Suddenly, he said, something told him to look back. A train was almost directly behind him, and the heavy snow had muffled all sound. His strange premonition had come just in time. Yet another close brush with the elements came years



LEHMAN, JAY AND

LEHMAN, JACOB H.
AND MARY (WEBB)

Grandpa's woods on its way to "Bean Creek". No more gathering the wild plums from the thicket for Grandma's plum jelly. No more falling asleep in the little upstairs bedroom smelling the new-mown hay in the field to the east. No more riding along in Grandpa's horse-drawn buggy when he took the milk into the Creamery in Defiance. I was so sad as my Dad and I drove home to Sherwood in his model T Ford that last day. I have never forgotten Grandpa's low-pitched, rumbling voice intoning the evening prayers. When I was little I thought that must be how God would sound if he spoke from Heaven. So I knew God had to be alright because Grandpa was the kindest, gentlest person I ever knew.

As it turned out, George and Mary spent quite a few pleasant years in their little "retirement home" in Brunersburg, and thoroughly enjoyed having closer neighbors as they grew older. Mary died 9-17-1939. George followed 5-25-1942. Both are buried in Brunersburg Cemetery.

LEHMAN, HENRY AND MARY JANE (WILLIAMS)

m. 1846

F327

Henry Lehman was born September 12, 1820 in Steinwender, Bavaria, Germany. He was the son of Jacob Sr. and Mary (Weis) Lehman. From records available, it appears Jacob Sr. was born in Bavaria, Germany in the year 1767. His wife Mary (Weis) Lehman was also a native born German.

Jacob Sr. was sixty-eight years of age when he arrived in Defiance County, Ohio in the year 1835. He was accompanied by at least three sons and one daughter. The three sons were Jacob Jr., John and Henry and one daughter, Barbara.

On February 1, 1846 Henry Lehman married Mary Jane Williams, daughter of Walter and Frances Williams, who were both born in the State of Virginia and had arrived in Adams Township before the middle of the nineteenth century. Mary Jane Williams was born January 20, 1825 in the State of Virginia.

Henry and Mary Jane Lehman purchased their wilderness home in Section 31 Adams Township, Defiance County in the year 1852. They had seven children: Ardelia, Caroline and John W. – twins, Walter, Frances E., Mary and Henry W.

Henry Lehman died May 20, 1886 in Adams Township, Defiance County, Ohio and Mary Jane (Williams) died August 2, 1870 in Adams Township, Defiance County, Ohio and both are buried at the Poplar Ridge Cemetery in Adams Township, Defiance County, Ohio.

by Margaret E. Klender

LEHMAN, HENRY W. AND NANCY EVE (HORNISH)

F328

Henry W. Lehman was born in Adams Township, Defiance County, Ohio on August 27, 1862. He was the youngest son of Henry Sr. and Mary Jane (Williams) Lehman. Henry Sr. was born in Steinwender, Bavaria, Germany September 12, 1820 and Mary Jane (Williams) Lehman was born in the State of Virginia January 25, 1825. Henry Lehman died May 20, 1886 and Mary Jane Lehman died August 2, 1870. Both died in Adams Township and are buried in the Poplar Ridge Cemetery in Adams Township, Defiance County, Ohio.

Henry's mother, Mary Jane died when he was only eight years of age. His stepmother, the former Anna Davis, then came into the home to care for him and other minor children. Henry attended public school nearby and received his education. Being a farm boy, he learned to work and prepare himself for the duties of farm life.

Henry was united in marriage on September 5, 1885 to a schoolmate and neighbor, Nancy Eve Lehman. Nancy Eve Lehman was born April 4, 1867 in Adams Township, Defiance County, Ohio, the daughter of John Jr., and Eve (Freece) Hornish. John Hornish was born December 30, 1823 in Montgomery County, Ohio and Eve (Freece) Hornish was born March 23, 1828 in Munich, Bavaria, Germany. John Hornish, Jr. died November 27, 1883 and Eve (Freece) Hornish died October 19, 1908 and both are buried in the Poplar Ridge Cemetery in Adams Township, Defiance County, Ohio.

Henry and Nancy made their home just north of the John Hornish farm in Adams Township. The large house and bank barn were located back a long lane extending west from the Domersville road. Along this road, some distance from the road, was located a sorghum mill that processed molasses for more than fifty years. Henry and his older brother, Walter, operated it as a joint business.

Henry and Nancy were parents of five daughters, Effie, Lauretta, Anna, Estella and Cora. The four sons were Samuel, Edward, Jay and Henry, Jr. In 1921 after their family were nearly grown, they moved to Defiance.

Henry Lehman died October 16, 1942 and Nancy Eve (Hornish) Lehman died September 22, 1955. They are buried at the Popular Ridge Cemetery, Adams Township, Defiance County, Ohio.

LEHMAN, CHRISTIAN AND CATHERINE (BAHR)

Catharine Bahr Lehman (standing), one of her daughters (sitting) in front of great grandparents' home built in 1866 in Noble Township.

In 1830 my great-grandfather, Christian Lehman (b. Bavaria, Germany, 4/12/1811) accompanied several of his brothers to America and settled near Dayton, Ohio, where he learned the cooper's trade. By 1835 he had proven to himself that he could succeed in this new land, and he sent back to Bavaria for his sweetheart, Catharine Bahr (b. Bavaria, Germany, 4/9/1814). Christian met her in New York, where they were married. In 1836 the couple left the Dayton area and moved north to Brunersburg. Christian's brothers settled elsewhere in Defiance County.

Over the years 12 children, 2 of whom died in infancy, were born to this union. The surviving 10 grew to maturity, married, and had families of their own. They were: Mary Eliza Lehman Williams, 1837-1895; Malinda Lehman Blakeslee, 1841-?; Catharine Lehman Bayes, 1842-1926; Christopher Lehman, 1846-?; Caroline Lehman McCauley, 1848-?; George N. Leyman, 1850-1942; Daniel H. Lehman, 1852-1908; Emma Lehman Partee, 1855-?; Filmore Lehman, 1857-?; Etta Lehman Depee, 1859-?.

In 1855 the Lehman family moved out through the forest to found the farm where State Route 15 curves to the north in Noble Twp., just south of its junction with Buckskin Road. Christian's selection of that particular area was motivated by the trade he had learned. There were a great number of large, straight – grained oak trees which were ideal for splitting into barrelstaves. During the winter months when farm work was slack he made ters the equivalent of its value in cash. He then lived until his own death with his youngest son, Filmore, in Hicksville. The home Filmore had built for his family on what was then farmland is still standing on West High St. in Hicksville. It is still occupied. In his early days there Filmore decided that a small stream on his property would look prettier crossing a corner of the home environs, so he diverted it to do so. In justifying this extravagance he explained that having a beer income didn't mean he couldn't entertain champagne tastes. However, he later changed the stream back.

Christian died in 1891, aged 80 years, and is buried, with Catharine, in Brunersburg Cemetery. A newspaper account of his passing says of him: "He was a good citizen, strictly honest in all his dealings with his fellows, and a good and affectionate father."

I wish I had known him. So few little bits and pieces defining his personality have filtered down the years to his great-grandchildren. My father, Orren Lehman, remembered that he kept a wine cellar, and would occasionally give him a little nip when he was a youngster. (Dad must not have liked it, since he was a teetotaler all his life.) My Uncle Sam Lehman remembered seeing him when he was a small boy. He had just come in from the cold, wearing a heavy fur coat and cap, and was standing by the baseburner warming his hands. He was smoking a large pipe with a long curved stem and a fancy metal lid over the bowl.

There are so many things I'd like to ask Christian about that long-gone era. And I'd like to tell him that in 1980, when the old brick house was finally razed, my daughter Terry (his great-great-granddaughter) and I happened to drive by, and we salvaged several bricks and one of the big iron stars from the top of the house. Lest we forget!

George N. Lehman's farm was on Buckskin Road just west of his father Christian Lehman's old homestead. In 1872 he had married Mary Talitha Partee (1851-1939), the daughter of James A. and Eliza (Hood) Partee of near Sherwood. James was one of the oldest pioneers of northern Ohio, having come here from Ross Co. with his parents in 1824. George and Mary were my grandparents.

Mary Talitha had been a teacher. As Miss Partee, she taught at the old Lehman-Hornish School in Adams Twp. when she was 15 years old. She was paid $15. per month, out of which she paid $6. for board. She cleared $.45 per day for 20 school days per month. Later she taught in the old frame Brunersburg School for $18 monthly. She had 35 students there. Her sisters, Clara Partee Hayes Miller, Dolly Partee Lovejoy, and Idella Partee Bloom, were teachers also. I remember her telling me that when they attended "Normal School" in Defiance, it wasn't a good idea for them to hang their hand-crocheted "fishnet" hose out on the line to dry because the mischievous young men in the neighborhood would filch them. Boys evidently were boys, even way back then.

George and Mary had 6 children: Orren E. Lehman (1874-1958); Nellie Lehman Hovis (1875-1943); William E. Lehman (1877-1947); Samuel G. Lehman (1887-1973); Addie Lehman Ehlinger (1890-1935); and Benjamin C. Lehman (1889-1986). They impressed all of them with the importance of education. Three of the group, Orren, Nellie and Samuel attended and/or graduated from Defiance College and began careers as teachers in Defiance County rural schools. Samuel received his B.S. degree

OBITUARY.

Catharine Bahr, wife of Christian Lehman, born in Bavaria, Germany, April 9th, 1814, died March 26th, 1882, aged 67 years, 11 months and 16 days. She came to this country in 1835, and was married the same year and moved to Defiance county in 1836. She united with the German Methodist church of which she was a member for several years, afterward uniting with the Evangelical association of which she was a faithful member until death. She leaves a bereaved husband and ten children (two having preceded her to the home above) with a large circle of friends to mourn her loss. But not as those who have no hope; for she sweetly fell asleep in Jesus. She was a faithful wife, a loving mother, and a sincere christian. She often spoke of death without fear; and although she was called away without a moments warning, yet we rest assured that she is now in the presence of her Savior whom she loved and trusted while here on earth.

The husband and children of the deceased, return their heart-felt thanks to the neighbors and friends who so kindly assisted them in their bereavement.

Dear Roena:

I almost made a mess first thing, my paper white and the cover of the box was white and I couldnt see where I was going.

I'm having some Eye trouble and went Wednesday to see About. I have an implant in my left eye and can see good but he told me" I have hardening of the artery back of it. So I go back in a year to see what happens. I can read, crochet and see all but fine print. Our State Journal wants to crow in every thing and the print is bad.

Do you know the one way I always remember you is when we were kids visiting at Farmer and you would come out of your Dads store with a Jumping Rope in your hand runing down the steps.

II - The nineteenth of July my daughter, Diane, Joyce, and Lora went North to Torch Lake for the day to visit my husbands sister and husband and one nephew. It is so pretty up there. We left at Six A.M. and got home at Nine P.M. We had a lovely day. It is always fun to go places with them.

On the Sixteen Joyce, Lora and I are going Lyons, Mich. to the family reunion of some long time friends, no relation, but we always enjoy it.

The first part of May I had the surprise of my life. My son Carl's wife if I'd like to go to a meeting with her and their would be a light lunch and I said, "I'd love to" I use to go places with her mother, So she picked me up at the given time and went to the building And she parked her car and we went in. There we nearly a hunsred or more people there and they all called "Happy birthday" I was just numb and if I didn't have a good heart some one would have had to pick me up off the floor, It took me two days to come down to Earth. I was Eighty five years old, They must of covered the town because I also received cards from my docter and the office girls and nurse.

I hope Opel sent you her book "The First Ninety Years." She is a tallented person. Her Mother was always a dear, We use to laugh because she never worked on Labor Day because she always maintained she worked just as hard as the men so I deserve a day off. She was such a dear. When she

and Uncle Frank and Ike" smaller children came to our house in Lansing she would sleep on the floor with the rest of us kids. She had a great sence of humer.

I felt bad not going to the Bayes get together. Hazel Bayes didn't make it either as she fell and hurt her leg.

Just learned today that Hollis Fickle is now in a Nursing home in Shepard, he had been in St. Louis, Mich. Guess I'd better sign off before my hand falls off and you get sore eyes.

Hope you are having a Nice Summer, Too bad it Will soon be just a memory.

Dear Roena,

I've been wondering if my cousin, Erma Christian, stopped at your home when they went south. I haven't heard from her lately.

On August 12th my son Carl took my sister Irene and her husband and I to Ohio to attend my cousin Raymond Hofmeister's 50th wedding anniversary celebration. On our way we stopped at Mary Louise + Deloy Appels home for lunch and had a delightful visit.

If my memory serves me right you have one year to go until retirement. Somehow I can't picture such an active person as you have been as retired.

Hollis Fickle sold his home at Middleton and moved to a trailer park at Alma

and he promised to send me his new address when he was here but so far I haven't received it.

Wilma Fickle and her husband Maynard Stillenbaur were to move up to Mt. Pleasant from Albuquerque, N.M., but I haven't heard if they have.

This note isn't very long but at least you will know I'm thinking of you as I do more often than you would believe and I hope your holidays are happy and the New Year the best ever.

Sincerely
Mildred A.

December 14, 1980

Dear Roena,

I buy my cards early and yet I'm always late getting them out, too many irons in the fire I guess.

If my memory serves me right I believe this is the year of your retirement. If not keep the card until the time arrives.

This has been a very busy year and I did a bit of traveling but only in Michigan.

I had a nice visit with Von Hilbert and wife. They were in Lansing two days and then left for Oklahoma City back around thru Texas and California a trip all together

of Five Thousand miles. They live in Ft. Launderdale or I should say Tamarex, a sort of a suburb of Ft. L.

I haven't heard anymore of the family history.

I've thoroughly enjoyed your Christmas letters and hope we can keep in touch even tho you retire and will probably be busier than ever.

My cousin Rachel Hofmeister wrote that she had seen Inez a few times this year and she is content and busy at the nursing home. Her picture was in the Defiance paper as she is secretary to the group there. It was startling to see how much she resembled her Mother.

I've been busy crocheting and sewing, first time I've made Christmas presents in years. It is so much easier to

Jan. 7, 1987

Dear Roena,

I enjoyed your Christmas letter. You are a very busy person.

As I was eating my breakfast this morning I was thinking of you, one memory I have was when you were a child and you came skipping down the steps of your Dad's store so happy go lucky.

As you may remember my Mother's father, Adam Balser, lived in Farmer for a long time.

I always liked your Grand-parents home and I felt sad the way it had been re-modeled.

I remember the Rice family who lived in Farmer and my cousin Inez but that is all.

II I had a lovely Christmas with all my Children and Grandchildren coming to visit. The group has grown so large they don't all come on Christmas but over several days which I enjoy as we have more time to visit.

Oh yes, on the 26th my third Great Grandchild arrived. My son Jack's son Carl Shannon and wife Cathy had a son called Christopher Carl. I haven't seen him yet but will when weather gets better.

We have some snow and it is Ten below zero this morning was yesterday also.

I read recently, "The way to make the winter go fast is to have a loan that comes due in the spring." do you suppose that would do it?

just give them money but that seems a cold thing to do.

I felt bad to think our represenative, Robert Carr, wasn't re-elected but I hope Mr. Dunn will do well. Frankly I'm glad the Elections are over. I've worked on Election board about thirty-two years. We were really busy in November.

My son Carl's wife is interning at St. Lawrence Hospital here as a Medical Tech. She is a dear person and is doing very well.

With best wishes for your future I will close for now.

II My brother, Harlan, is feeling his age, he will be 84 this month and it is hard for him to accept the fact that he can't do all he use to. His health is fairly good as is his wife's. I seldom see them but we keep in touch by phone.

You have been so nice sending me pictures I thought I'd send you a recent one of myself, taken for our church directory. Every one says it looks just like me, however, my face isn't that color.

Before Christmas I had a letter from Herschel and Francine and she was to have some ~~bone~~ kind of hand operation the first of this month, don't know what for unless it was for crooked fingers or arthritis.

IV My grandson, Devin, is coming this afternoon or Saturday to take down my Christmas tree That is if he can get his car started. He goes to Michigan State U. His third year. He is such a nice young man.

My son Carls' son graduated from Great Lakes Navel Station the week before Christmas.

Jack's son Bill was home from Ft. Benning, Ga. for Christmas. Both young men look strange with the service hair-cut.

Hope you have a Happy New Year.

Does your cousin Anna still live in Bryon?

The Promise of Dawn

The sun goes down
in its glory,
And darkness descends
on the land,
But dawn comes quickly
to cheer us,
For Time is a
swift-running sand.
Why, then, should man
in his wisdom
Forget in his moments
of gloom
That night gives birth
to the morning;
That dawn will be coming
--and soon?

"If I go to a store and buy a hairbrush, then get it home and decide I don't like it, when I take it back for a refund, the refund includes the sales tax."

But state tax officials say that's like comparing engine heads and hairbrushes.

They admit that Goodman's transaction seems illogical — and possibly ridiculous — as he framed it. There is, however, another way to look at it.

From the state's point of view, the $50 wasn't a deposit — it was a REBATE.

In other words, Goodman, in the state's model, paid $250 for the head, plus $15 in sales tax, then got a $50 rebate in exchange for his old head.

Goodman listened to that explanation and offered a one-word reply: "Bull."

In writing

OVID — Margaret Gruesbeck of Ovid, who is hearing impaired, wrote recently to offer three cheers for captioned television.

"It is almost impossible for me to make out the dialogue on a television show without the sound turned up to a level intolerable to others in my family," she said. "Closed captioning has been a blessing for me."

Too bad, she wrote, that captioning hasn't found its way to the big screen.

"I very rarely attend movies anymore," she wrote, "because I am unable to understand what is being said and lose track of the plot."

Well, the hearing-impaired in the Lansing area aren't *completely* shut out from the movie-theater experience. One weekend each month the Capital Area Self Help for Hard of Hearing People — also known as SHHH — sponsors the showing of current films with captions.

The films are shown at the Lansing Mall West, usually around noon on a Saturday

Dear Rolna :

This is a dark cloudy day with some rain every so often.

I dread the thought of winter. but I try to remember this quote. "If winter comes can spring be long after". It helps me pass the time better.

Im glad to report my brother, Harlan seems to be improving, He will be Eighty Nine in January. I was Eighty five this year. Im begining to feel it too. Ive become a regular ~~Sl~~ Sleep head, my bed feels so good.

The anouncer just said, "Rain tonight and tomorrow so it sounds like we are going to get wet. I don't know if you want this information or not but here it is: The husband of my daughter Linda Alspaugh Baur who died several years ago, was found up North ~~is~~ dead in a musroom patch been dead several days. He was cre-mated no funeral.

children! Carl Diane

II The Police called me and I asked "How did you get my name and phone number?" And he said," It was in his pocket.

Something I cannot understand his policy is in my name, his son must be at least Twenty four and daughter Twenty two, I know it was taken out years ago. Im glad the lawyer is a friend and a good man.

It sounds dippy but I can't help but think, "What next?"

Im glad to report my brother Harlen is doing much better, up and around, not fast but at lease moving about. He still has his good humer to.

Im going to my youngest son Jack and family for Thanksgiving. He has quite a large family and all good natured and it is fun to be with. His wifes Mother will probably be there and we are good friends. It is so nice that we all get along so well together.

I turned Eighty-five this year and I find Ive become a regular Sleepy Head. I go to bed at Nine P.M. and usuly get up at Eight A.M. How is that for sleeping the hours away. I maintain "I was born tired and never got rested. I was born at Seven months and weighed three pounds, how about that? Ive shrunk a little in Hegth and I blame that on too many baths.

How is your brother is he "able to be around?,

Opel is going to be moving but I don't no when or where but to be save as soon as I find out I'll let you know.

How is your brother. I remember you as a little girl better then I do your brother. Did you have more Then one? I dont recall.

IV Doesnt seem possible this year is so near over. Do you suppose it is because Im slowing up. Ive promised myself that some of these days Im going to lock the doors and sleep Twenty Four hours. Do you suppose I ever will? At least it is something to think about, other words, "I can dream".

One thing about November and December we all receive lots of mail almost about anything.

One thing Im for is the Paralyzed Veterans of America. I received a lovely calender "Birels of America 1993 from them. They are one group I always give to. I have a cousin on my Mothers buried in Flanders field. ~~War~~ This is the fourth letter Ive written this afternoon, please excuse the terrible writing.

The Twenty-Third Psalm

The Lord is my Shepherd: I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me: thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil:
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life: and I will

1989

Dear Roena,

I haven't quit forgotten you but this has been a very busy year and it looks as though it will go right up to the New Year.

My daughter Diane Katch, husband John, became a Grandmother for the second Time on Nov. 22, 1989 to a little boy (I wouldn't call him little, Twenty inches long, weighed Eight pounds, Two ounces and goes by the name of Jonathan Matthew. His Mother's name is Marlee Lindsey Katch.

John's brother Timothy (Tim) and wife are expecting their first child next July. So my family keeps expanding.

Did you do a lot of traveling this year?

I don't hear from Herschel very often. He called me long distance from California and said, "They were coming to michigan and if he didn't come to see me he would at least call me." I never heard a word.

II I did write him about the Earthquake. He said, "The earth shaked a lot but none of his family were hurt.

It is rather cold here today with snow expected but right now we haven't much snow, streets are clear.

You know when I let my memory wander the vivid memory I have of you as a small girl no older than, Ten if that, skipping out the door and down the steps of your Dad's store. You had blond hair as I did, my sister was dark favoring the Bayes side while I favored the Balser side.

I always had a good time when we went to Ohio but now most every one is dead and the families scattered.

Guess I'd better stop and write a few lines in other cards.

Hope you have a fine Christmas and a very happy, rewarding New Year.

Love
Mildred

In Memoriam

Mrs. Adaline Balser Bayes

3626 Wainwright

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: He leadeth me beside the still waters.

He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake.

Yea, tho I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

Psalm 23

Dawn lives in Dallas, TX. - 19

Dec. 12, 1990

Dear Roena,

Just dropping in to wish you a very merry Christmas and Happy New Year.

I expect you are still as busy as a cat on a tin roof. Did you get to Michigan this year?

My youngest daughter Lora Nosbrant has become a Grandmother for the first time. Her daughter Dawn Mole gave birth to a boy on October 14, 1990. The Father's name is Brian Pasco, they are not married yet but plan to. The baby's name is Sachery Blu. I asked "Why that name" and was told "because they like it." I can't help but wonder how the lad will feel when he gets older.

I've been doing so much writing my Right hand is begining to feel num fore that matter as the children use to say, "My bottom side end is tired," and mine is getting that way also.

My health is good at least that

is what the Doctor told me when I went for my yearly check up.

A week ago we had a rather heavy Snow storm but now it is all gone and as far as I'm concerned I hope it stays away for awhile. I'd like to see it Snow Christmas Eve and melt away on New Years then Spring.

After the New Year I'm going to gather up all my yarn and make a Granny Square Afghan. I like to crochet when I'm watching T V in the evening.

I'm enjoying all the Christmas programs.

Sorry this will be short as my hand is becoming very tired.

Merry Christmas and
A Happy New Year,
Love
Mildred

IN MY FATHER'S HOUSE

No, not cold beneath the grasses,
Not close-walled within the tomb;
Rather, in my Father's mansion,
Living *in another room.*

Living, like the one who loves me,
Like my child with cheeks abloom,
Out of sight, at desk or school-book,
Busy *in another room.*

Nearer than my son whom fortune
Beckons where the strange lands
loom;
Just behind the hanging curtain,
Serving *in another room.*

Shall I doubt my Father's mercy?
Shall I think of death as doom,
Or the stepping o'er the threshold
To a bigger, brighter room?

Shall I blame my Father's wisdom?
Shall I sit enswathed in gloom,
When I know my loves are happy,
Waiting *in the other room?*

sow some cup & saucer Canterbury Bell seeds for blooms next year but it is quite late. It started out so dry the first flowers did not do well. We didn't set out plants from the nursery until late for the same reason. How I miss that good old back that took such a beating in Edmore. We stopped there on the way home Thursday and Lucile took me around the yard in her small car and how it needed my T.L.C. Hardly anything left. My next door neighbor saw us and came over. We just recently got the deed back as Rosie got divorced, couldn't pay off so we got it back. Now, for the fun all over again

I have a reunion to go to at Bryan July 15 my youngest daughter at Sturgis may have hip surgery very soon and July 29th is my family get together at daughter Kathryn's at Lake Montcalm. They are to go on a tour to Alaka just before that. Lucile hasn't had time to go anywhere yet but will make a quick trip to Spain. Cancelled her plans for her usual trip to Haiti due to the unrest down there. Next ~~Thurs~~ Next day week Thursday she is going to Florida & bring my sister Vena back with her for a whiff of good Michigan air. She is ~~8~~ 75 & recovering from hip surgery.

Do you know a Loren Smith who lives 6 or 8 miles out of Bryan — forgot which way. He is dad's sister's grandson.

Ann Lynn didn't get there & of course Jean, Otho's wife in Mesa wasn't up to such a trip as she just moved. ~~I~~ must write to

July 2, 1990

Dear Roena—
As you will notice Christ-
mas comes early this year!
I found this copy of my mom
and dad after I sent your copies
back. I attended the Bayes re-
union the 28th. Lucile took me.
The most ever— 22 of us. We all
left at 2:30. We had a couple
of stops on the way home. No! We
made 3 as Lucile, being an antique
nut, spent an hour at one of her
favorite places— I sat in the car.
If able I would have liked it
also even tho there is nothing
I need or want!

You no doubt noticed my mis-
spelled works. but they are not
accidenal— I just think it
makes more sense and I have
done it for years. Words like
tho, thot and others. I even did
it in the "Story of my life". My
grand kids & etc. will probably
think "poor old grandma with
her low I. Q!" They may find
more than that!

I went outside at 2:30 to

Ann Lynn or I'll hear if I
can catch her home in Cadillac
Mich. I hear she is going to
Tuscon to live year around.
I think she is a golfer. She
taught physical Ed. all her
life and perhaps some other
subject. She looks like the
Bayes side.

I must say good nite as
my eyes are picky and my
back says 'tis enuf.

Thank you for coming
here — to get acquainted. Now
I can see you as you gad
hither and yon.

A friendly "hello" to your
brother. Does he play scrabble?
Ha I'll try not to chatter so
much next time lest you won't
have time to read it.

Cousin Opal.

OBITUARY

Mary Lillian (Fairchild) Bayes, daughter of Henry Jackson and Sarah Jane Fairchild, was born in Wood County, Ohio, February 10, 1872; and departed this life at her home near Shepherd, March 8, 1940 at the age of ~~68~~ 67 years and 28 days.

She was united in marriage to Frank Bayes October 16, 1893. To this union 8 children were born, all of whom survive. They are Earl Bayes, Shepherd; Estle Bayes, Lansing; Floyd Bayes, Chelan, Washington; Mrs. Homer Smith, Blanchard; Otho Bayes, Clare; Elton, Glenna and Vena at home.

She spent her early life in Ohio until about 39 years ago when she came with her husband to Michigan, settling near Shepherd where they have since resided.

She was converted about 19 years ago. Since then she has rejoiced to know that her sins were forgiven; only a few days elapsed 'til her second experience with the Lord gave her a pure heart, filled with perfect love for her Saviour. She united with the Evangelical church at that time.

Her life was one sunny ray of cheerfulness. During the last few months when it would have been easy to complain, her usual patience and cheerfulness made duty easy and affliction light for those who cared for her.

The unusual testimony is given by the children that never did they know her to be impatient. Her faithfulness and love to her companion is cherished.

"Others," which was the motto of her life, was expressed during her sickness by a hunger to help those whom she could, even to the extent of neglecting herself.

Never did she have a fear of dying; because hers was "the peace which passeth all understanding." The Lord whom she served kept her in perfect peace, because her mind was stayed on Him. She expressed that she was glad she had salvation.

We cannot mourn as they that have no hope. But we rejoice to know she awakened in glory—just waiting the arrival of those she loved.

She leaves in passing, her husband, 8 children, 12 grandchildren, 2 sisters and 3 brothers, other relatives and a host of friends.

Funeral services were held Monday at 2 p. m. at the Shepherd Methodist church, with Rev. Ed. Bailey of Owosso, officiating. Interment was made in Salt River cemetery.

Phyllis M. Bayes : res. - 312½ S Holmes, Lansing, MI.

Teen arraigned in Bayes slaying

5-18-76

Ronald Brown, 17, of 611 Clifford has been arraigned on a charge of second degree murder in connection with the December slaying of an East Side Lansing woman.

Brown, who was 16 at the time of the murder and marked his 17th birthday in the county jail, was arrested two days after the slaying of Phyllis Bayes in her apartment at 312½ South Holmes. He had been held since his arrest while authorities sought a waiver to try him as an adult and his name was withheld by police until the completion of probate proceedings.

THAT WAIVER was finally granted by the Ingham County Probate Court and Brown was formally charged as an adult with the pistol slaying of Miss Bayes. A preliminary examination is scheduled for May 27 and bond was set at $50,000.

He remained in the county jail today in lieu of posting bond.

Police said they have not fully determined a motive for the slaying; but officers said they have ruled out sexual assault or robbery.

BROWN WAS arrested after a tip police received that he might be involved in the killing, police said. He was first picked up for questioning about eight hours after Miss Bayes' neighbors heard the shooting Dec. 29 and found her dead in a hallway. After questioning, he was released.

But later that same day, again acting on a citizen tip, detectives picked up Bayes again and arrested him. He appeared before Probate Court Judge Robert L. Drake that night, and Judge ordered him held without bond.

Police said Miss Bayes died from three gunshot wounds in her chest and one in her head. The young woman lived alone in the apartment.

Mrs. Leta B. Bayes
1521 Indiana

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil: my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever.

FLOYD BAYES
1897 - unknown

Floyd was the third son of Frank and Lillian (Fairchild) Bayes. He was born 27 Oct. 1897 in Farmer Twp., Defiance County, Ohio. The following was related to me by Floyd's sister, Opal (Bayes) Smith. "Floyd grew up on the family farm and after graduation he left home to seek adventure and fortune out West in the year 1920. Evidently he found contentment as the family heard from him only on three or four occasions. When our Mother died his brother Otho located him at Chelan, Washington, from which we had gotten one letter. After our sisters Glenna and Vena moved to California, Glenna and two old ladies decided to try to find him so in Glenna's old car they first went to Chelan, where they inquired on the street of him. It was his insurance agent. He directed them to Wenatchee, Washington where when coming face to face with him, Glenna said, "I am your sister!" He said, "which one, Opal?" Glenna was only five or six when he left, and perhaps thirty years old when they met. He had never married and was a book keeper at a lumber camp, I believe. He is now deceased.

WHEN I MUST LEAVE YOU
for a little while,
Please do not grieve
and shed wild tears
And hug your sorrow
to you through the years.
But start out bravely
with a gallant smile;
And for my sake and in my name
Live on and do all things the same.
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand
In comfort and cheer
And I in turn will comfort you
and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky

Opal Smith

Vol. 81, No. 3 Edmore TIMES, Edmore, MI One secti

Opal Smith has a special gift

It all started two and one half years ago when Opal Smith looked out her kitchen window to the ea[illegible] The sun was shining brightly and she thought to herself that would be a nice title for a song, so she sat down and wrote one entitled 'The Rising Sun.'

Now two and one half years later Opal Smith has written 15 songs and is waiting to hear if they will be recorded on an album.

Opal, who many in area know for for her beautiful flower garden just west of Edmore, says that with her writing she is looking ahead a little; Each year, at 80 years old, she must give up a little more gardening. "I will resort to less strenuous tools, the pen and notebook in lieu of the shovel and hoe, which have been such a joy to me." She quickly added that its "Not that I am getting old, mind you, I'm just shifting jobs."

"My sister is very inspirational in my writing," says Opal. Her sister, Vena Bayes lives in Mt. Pleasant.

Opal has lived in Edmore for 23 years where she attends the First Baptist Church. Of her writing she says "Maybe someone would feel the effects (of her songs) and accept the Lord through something I have written."

She said that as a girl she took three summers of organ lessons, which is the extent of her training. During that time she played "Lord I'm Coming Home". She feels that was instrumental to her conversion.

One of her songs 'Three Crosses on Calvery's Hill' was sung by Charles Disel at the Mt. Pleasant Church of Christ last Easter and on WCEN's Gary Bugh "Coming Together" show.

"You have to be in the mood to write," Opal said. "One time I couldn't sleep in the middle of the night so I wrote a song," she added with a smile.

"Opal said that her talents (all of our talents) come from God. "I don't feel I have any special talent myself."

About her album she says that she doesn't think about it. She tells of a composer named Overhault. His material lay in someone's desk for two years before the right person discovered it. "You can't expect too much from a greenhorn like me," she added with a smile that showed confidence.

If dedication and sincerity makes albums Opal's will surely be on the record stands soon.

Opal Smith of Edmore has composed 15 songs in two and one-half years. Her songs may be on an album soon. Below is one of them.

Let's bring America back to God-
Take our stand against thievery and fraud:
Let's make it safe for our children to play without harm
on crime and dishonesty sound the alarm
To bring America back to God.

The pilgrims crossed the ocean wide to our rugged New England shore
To enjoy religious freedom they had never had before.
Their hardships were terrific but their faith was greater still
In their determination to do the Father's will.
Should we do less than they in our zeal for our country's need
We pray for peace and safty but still blunder on in our greed;
As yet, we have freedom of worship and speech though they may be slipping away;
What America needs is to get back to God-get on our knees and pray!
Our coins are stamped. "In God We Trust," but is it stamped upon our hearts?
Do we help to ban filth on TV, trashy movies, and pornography?
Put all drugs and drinks down the kitchen sink so our teenagers and think for themselves and for their future's sake.
Repeat - chorus.

June 29. Tuesday;

Dear Roena _ I wrote 2 cousins about Aunt Allie's name. One never mentioned it and Aunt's daughter in-law ~~in~~ is blind in a nursing home in B.C. and she didn't ans. my letter. I have a daughter in B.Creek so maybe she can call Helen at the nursing home. I just re-read your letter and I got lost in the shuffle of the Bayes, Fairchild and Fickle. My little mind isn't working over time anymore - unless, of course it is at a game of scrabble but I can't even find a competiter! Not a very popular game. Even tho I have moved to a room at my g. dau's it is as large as my apt. on Bridge street and the same welcome is given. You have a beautiful home and thanks for giving me a peek! My seeing eye is not seeing as well and it is hard to read large print books. Did Elsie Lord belong to the 7th day Adventist Church. Most of them did but I don't think A. Allie did. U. George was broom maker when I knew him. Hope to see you!

With love. Cousin Opal

Dear Raena –

I'm sorry to be so slow in returning your pictures. I was at Analee's and Lucile's for a week with an acute case of gout in an ankle and unable to navigate. It is about back to normal tho still swollen. I am at home again.

It has been less hot today but still drying up – no rain. Still have flowers to set out. Everyone in their right mind are too busy to keep so much watered by hose. Jim is installing a ~~a~~ under-ground system at their place and we will eventually get it here.

Our Bayes reunion is to be June 28, noon, at Petticoat Junction Res. between Alma and St. Louis on M. 46 on N. side side of road. Usually 15 or so attend with a newcomer occasionally. Want to come? You're very welcome, you know!

well – especially the one of my mom and dad on the wall. That is such a good one of my brother Otho and his twin poodles taken shortly before he died, that you might like it, also, and my 2 sisters. Someone colored them (amateur) which they would have hated as neither used any make up.

Do hope you and your brother enjoy enjoy good health this 'balmy' weather.

Let's keep in touch.
In Christain love
Opal.

2) I mustered enuf energy to go out on the back patio this p.m. and just as I got there 2 younger friends (early 40's) and their kids came across from the church to plant some flowers for me. They put in 24 double fressia bulbs, 6 dahlias and 3 baby breath—complete with peat moss and water. It doesn't look a bit rainy as of 8 p.m. tonight.

At an antique sale a few weeks ago Lucile heard someone back of her mention the name of Bayes so she located him and asked who he was. He ~~was~~ is Mildred's nephew—her brother Harlan's son. He wants to come to our reunion the 28th. so Lucile will call him tonight.

I'm so glad you took time to visit me, Roena. It's another item to enrich my memory and ponder. I like to visit each of my grandchildren in their homes, then any time I can picture them in my mind doing 'thus and so' as they go about their activities of the day.

I think the pictures turned out

Friday a.m. 9:30

Dear Cousin Roena —

I was glad to get your letter and the geneology to know just where you fit in in the family and I figured you must be Roy Bayes daughter. Seems as tho I saw him once but it is so distant in my mind it could have been his picture. I slightly remember Florence — I think. Ha! You sound like someone I would like to know — full of enthusiasm. My mind is alert, or I would like to think so, tho my body is weak. Sometimes I chafe at the bit a little for not being able to do what comes naturally but I make myself content with my reading, writing, cross word puzzles, harmonica and playing scrabble by myself.

You know, speaking of harmonicas, there are several different names tho most of them by Hohner co, that it is very difficult to know which one to choose as you can't blow one, nor can they. They do have an electrical gadget to run it across of Minnie from east of Farmer; Mildred Alspaugh, whose father was Richard Bayes, and her son from Lansing. We correspond regularlly. Martha Hawkes came once; she is Harry's daughter; Hollis Fickle & wife, Wilma Stilgenbauer & husband, Dorothy Clevenger & husband; those three plus Dorothy's daughter are from Nora Bayes family. Otho Bayes & wife of Mesa, Ariz., & daughter Ann Lynn of Cadillac, Mich; Gretta Bayes, wife of Earl Bayes, (deceased), Hazel Bayes, wife of Estle (dead) Bayes, and myself and whoever is available to take me. These, beginning with Otho, are Frank Bayes clan. We eat at a Res. usually in Mt. Pleasant or Alma. We count one another's wrinkles and enjoy our get together. You are cordially invited and your brother. It is usually around the fore part of June. I presume we will have one this year tho Hazel isn't coming and I'm not sure if Otho will be able to make the trip.

I've been all day writing this — gives you an idea how speedy I am. I'll slow down when I get old!

If you want any of those pictures back just tell me which ones.

Your new cousin, Opal.

which helps a little. My first one was given to me and it said "Comet" on the outside. My granddaughter got me another by the name of "Echo" which to me has a much prettier tone. They both have 2 sets of reeds - 40 holes on each side. One is the key of C and one key of G. I prefer the latter as it has a more mellow tone — but I still want to try one more — the "Marine Band". I plan to get that for one of my daughters who is unable to walk but little with a walker. She used to be an avid flower grower with Glads as her special-ity. They are my favorites, also. What is yours?

I just sent for canna and rubrum ~~lily~~ lily bulbs and a crepe myrtle bush. You, no doubt have them in pa. They are my favorite Florida flower and I thot 'now or never' but will have to mulch it heavily for winter. I'm going to try to work a little outside as a hoe can act as balancer as well as grub in the dirt.

My! What a beautiful writer you are! I find myself writing smaller and smaller go to p. 3

It is now about 5 p.m. Haven't done anythi all day. I just cooked a package of Ramen noodle – Cheap and easy! That is the way man of us who are alone eat. I have lots of canne fruit from Sarah, my youngest. I like johnny cake – in fact I like every thing except green beans which I do tolerate away from home. I lov to eat out – what woman doesn't? I seldom have the privilege. My friend that I usually go with just had by-pass surgery yesterday.

Onalee just went home; it is 10:30 p.m. She is my granddaughter and I will mention her often. We are both flower lovers and do lots of planning together. She belongs to the Federation of Garden Clubs of Michigan – most of the members are from Kalamazoo and area. She was elected or chosen vice-president last night so has another iron in the fire.

I hope we get some rain tonight; it has been thundering and the ground is very dry.

Did I tell you that we have a Bayes cousin reunion each year? Let me think – how many of G'pa Bayes descendants usually come. Last year we had a new one from Bryan, I believe. He is a grandson of Minnie: also, another one, a grand daughter & husband

go to back of p1.

as tho to economize on ink. I am resorting to gov. cards at times, also.

Oh, I didn't recognize any of the pictures that you ask about. I see your G'pa Bayes and mine look quite a bit alike. I knew all of his children (tho married with families) real well except ~~Be~~ Harry and Clyde. The picture of Bertha, Wilma & I, I was surprised to see. We also had one taken when we were 6 and Bertha and I at 26 but Wilma had moved to Albuquerque. We were just one month apart in age. Wilma & husband now live in a Sr. Citizens Apt. in Mt. Pleasant, Mich. She will be 88 Apr. 28. She is quite feeble with an alert mind. Her name and address is: Wilma Stilgenbauer, 1st. floor Winchester Towers, Mt. pleasant, Mich. 48858 She is Hollis Fickle's sister, Nora Bayes's daughter.

I have a large picture of my Grandpa Bayes farm N.E. of Shepherd. We bought it from them and that is where I lived for many years.

I suppose I should have copies of the letters I send you lest you don't read the same thing each time like a broken record. (over)

Well, I'm going to write on tuther side as I won't give p.o. dept more than 25¢ for a letter.

Did you ever hear Charles Stanley on TV by any chance? He is a Baptist preacher and the best I have heard. I enjoyed the copy of your friendly letter and it was beautiful.

It's too bad we didn't think to ask our parents about their early life when we had the opportunity, isn't it? I have written the story of my life for my family tho don't have it typed in a booklet form yet. Have written a few poems, composed several songs but tho 10 have been copyrighted, I'll never get any published. Too much or too many different phases to wade thru plus money or lack of it. One was sung by the Baptist choir here a year ago on Easter Sunday and I have it on tape. I'd like to fill the tape with? but that will not be easy. I have a young friend who will help me as time permits. I don't plan to toot my own horn - you just seem to be the kind of person to be interested.

What are your hobbies or do you keep busy with the Bayes Family? I think G'ma Bayes was German. Do you have any data on that? Must close & get my mail.

So interested! Cousin Opal. go to back of P.2. Ha!

Friday p.m. Oct 1, '93

Dear Roena & Al—

I was so glad to hear from you again but was so sorry to hear that you are suffering so, Al. You sound like some one it would be a pleasure to know. I feel, also, that we would really click if given a chance, Roena. Oh, by the way, 2 of my Fairchild cousins were here Wednesday p.m. from Longwood, Florida and she had the Fairchild history up to the present time with her—scads of it. I asked about George's wife. In one place it was 'Allis' and in another 'Alice'. We had such a good visit..

Well, if I have to leave here my next step will be a nursing home. They have a definite place in our lives in this generation., while before the old folks just naturally were cared for in the family. My Grandma Bayes (Catherine) was with us part of the time. I was sorry the little Bayes newspaper folded up. How many copies did you get? I only got two and a gruesome picture of Herschal Bayes ~~picture~~ and I were on the front page of one of them. Maybe thats what did it. Ha! There are blessings in nursing homes tho they are harder to ~~[illegible]~~ see under the circumstances! At least there are people around you which is a comfort — I am alone most of the time. Jim is a plasterer plus a good carpenter. in his 40's so, tho he has lots of work at home to do, works until 9 at night. They bought this large old farmhouse six years ago and are remodellin it bit by bit as they have money and time Onalee has been cleaning out the flower garden since the hard frost which took every thing except the mums and a few delphiniums. You really have a beautiful home. How many rooms are there?

It is breezy and cold here today

I am working or trying to get a few songs ~~to~~ ready to be copyrighted. I'll never have any published probably, bu it is my hobby at present. It takes mone and the 'know how' to get things done I don't have either. I had ten copyrighted several years ago when my sister, who was a music teacher lived in Mt. pleasant and I in Edmore, 20 or so miles apart, she arranged them (put the notes in sheet music form) to send in. So now I have these 5 or 6 songs I need to have put from my head on to paper. My voice is so horrid I can't sing so I'll have to 'plunk' out the melody with one finger on the Piano and a computer will put it on paper (bless it's heart). ~~will~~ I detest the word computer – it's all so confusing what they can do! Guess I'm jealous!

Hollis is still in a nursing home in Shepherd, and his sister Marie and husband are quite ill with heart trouble. He has congestive heart failure. Dorothy wrote me. She and Bill stays with her at times. And so it goes! One day we're here – next day we're not! So it behooves us to be ready! I have been so free from pain the past 2 to 3 years but have had just the opposite — itching which the skin specialist is caused from nerves. but can keep it under control with a special ointment I really don't deserve to feel so well but I'm not complaining. The past 2 days there is a hurt on my left back side — maybe a kidney & maybe nothing. A little time will tell. Tho all my physical exercise is walking to the bathroom which is 40 steps with my walker & it seems like a block and at times I have to pray each step of the way to get there in time. Only messed up once so far! When I have to go I have to go quick!

I think Onalee forgot to bring my lunch in before she went to work. It is now about 2:30 - It is usually in the micro on my dining table. Well, well! the sun came out. It's been too wet in places to get in the field to harvest beans as they should be dry.

I'd better sign off so you can get to work! In Christain love.

So glad to have met you! Opal.

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever

Dedication

The Clare County Fair Board is dedicating this 1983 Centennial Fair Book to O. D. Bayes, a Clare County retired businessman who for many years has taken an active interest in the progress and welfare of his community.

Born and raised on a farm in Shepherd, MI, he came to Clare in 1927 and has spent his entire life in Clare County. Over the years he has been interested in and taken an active part in many civic affairs in the City of Clare. He has been a lifelong businessman, a baker by trade, being owner and operator of Bayes Bakery for many years. He then managed Dunlops Restaurant for a number of years after which he became owner and operator of the Town & Country Restaurant. After his "retirement" he took the position of Secretary-Treasurer of the Clare County Fair Board serving to date sixteen years.

O.D. and Jeanne now reside in Harrison and spend the winter months in Arizona.

Bill Carr of Harrison recently wrote in the Clare County Cleaver, and we feel his words say it much better than we could: "To O. D.—His generosity is exceeded only by his compassion for his fellow man and the thoughtfulness he has shown has far-reaching effects that will touch the lives of others. Bless You O. D. Bill."

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
For thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever.

Looking for the parents of William W. **NUGENT**, born in Delta, Ohio in 1864 and married to Anna **ZIMMERMAN** in 1887. I believe his parents may have been Paul and Elisabeth **NUGENT**, but have not been able to verify this. The 1860 census index shows Paul **NUGENT**, but the 1870 census index lists Eliza **NUGENT** as head of household. She died a widow in 1895. Her household is listed under FUYK207B. Perhaps that would list the children in the household, thus providing me with the answer to my great, great grandpa's parents. If anyone has access to this information or can direct me in the right direction, I'd appreciate it. Dan **Nugent**: 16713 Dog Creek Rd, Lakehead CA 96051 or yocaptdan@hotmail.com.

I am looking for information on the family of Sullivan **JOHNSON** who lived in Amboy Township, Fulton County, Ohio. Any information on him and his family would be appreciated, especially information on his son, George and his family. George was the father of my great grandmother, Carma D. **MOONEY**. Sharon **Howell**: 6756-C Highland House Ct, Affton MO 63123 or affton@prodigy.net.

Looking for the Samuel **HOFFMIRE** family bible that was transcibed in the October 1984 issue of *Fulton Footprints*. The bible was found at an estate auction in Swanton, Ohio. The successful bidder let the author of the article photocopy pertinent pages, but the author failed to get the name of the owner. The original owner was Isaac **HOFFMIRE**, Samuel's father. Samuel was the father of William **HOFFMIRE**, born 16 October, 1792, one of the original settlers of Fulton County, Ohio. Ann **Riding**: 4835 South 3400 West, Taylorsville UT 84118 or genealogist@qwest.net.

Looking for any information on the parents of George W. **ANDREWS**, born 5 January, 1911 and died 26 January, 1988. His father was Harding Christopher **ANDREWS** and mother, Bertha Mae **BOSTETOR**. Harding's father was George Washington **ANDREWS** and mother, Eliza Jane **WHITMIER**. J **Denny**: 8709 S Lynn Rd, Milton FL 32583 or joeden35@yahoo.com.

Searching for information on Alexander **MILLER**. He appears in the 1880 Fulton County, Ohio census on page 114B and John **MILLER** who appears on page 114A. I am also looking for Jennie **MILLER** who married George **TOWNS**. Don **Shafer**: 3015 Frampton Dr, Toledo OH 43614 or dshafer@buckeye-express.com.

Dear Roena:

Thanks for your most informative letter which went to the Grant street address. I guess that maybe I hadn't told you that I rented the Grant street to my daughter Roselind and her husband, remarried and moved to Roseville, California. Roseville is west of Sacramento a few miles and it takes us just one hour to drive to Fairfield. My new wife of three years, Anelda Connerley Bayes was my bookkeeper in the Probation Department for several years. She lost her husband some fifteen Years ago.

Your trip to Salt Lake sounded like you gals had a good time and was productive. Nell is a Mormon and last year we made our second trip to Salt Lake but didn't spend much time in the Library. We ended up in Las Vegas and talk about a different world. We had a good look at all of the casinos and donated a little money and headed home. We also made a trip through Nevada, Idaho, Montana, Washington, back into Idaho and then again through Washington, Oregon and home.. This year we want to fly to Phoenix, rent a car and visit friends in Apache Junction. We also want to go to Tualatin, Oregon near Portland) to see new twin great grand sons. their father is the oldest son of my oldest girl, Lilabeth.. We will then go over the mountains to Spokane to visit Fayne and then north into Idaho to visit Nells daughter who lives in Sandpoint, Idaho.

Yes, I am on and internet called JPS but I use an "E" mail called Juno. It is free and much easier to get into than internet. Of course, if I am already on internet, I go ahead and use their "E"01/09/19995:19:06 PM mail. goofed that!

You said that you went to Florence. Florence Italy or Florence, California down by Los Angeles. How are the California cousins related to you? Did you find any other long lost relatives in Salt Lake.?

Much Love
Hersch

Subject: re: picture of two women

boy! I mean, girl! sure glad to hear from you! I just had my 91st birthday and heard from all of the kids young and old and all the gang at the bowling alley! Even from some employees that worked with me over 50 years ago.

Fayne however is ailing with cancer of the lungs and, some memory and on top of it, fell and broke his leg! He is in a rest home and although I talk to him often, it is not easy, He is real "up" and one would think that he doesn't know of is problems! His wife Winnie is deaf and blind and will have to think about her future. Right now she has a niece living with her but the niece will be returning to Fargo, N,D. in a few days.

I am sure that the woman on the left is Katherine Lehman Bayes, my grandmother for I have a picture that I am sure was taken the same day of three women and three men and all were identified. I have spent so much time getting "organized!" but so far, can't find the dog gone picture! Maybe it was aunt Clara

I can't help but mention that the house seems to be so well kept up that looks like it was a new house with concrete walkways. I have another picture of Catherine and James house and it looks like it was built by the same guy. You should send a copy of the picture to Dorothy Clevenger. She would know I am sure.

We have had a lot of cold weather and I am ready for spring!

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever.

Subject: the Erma question

Here is what I have learned and it wasn't much!

I found Dorothy Clevengers address and phone number through Phone Books of the US which I have had for several years and have used maybe two or three times! It took me five minutes to locate Michigan, Shepherd, Wm Clevenger and on the phone to her! She surprised me for she answered to phone like she was
expecting me. "hello, Hersch, how are you and where are you calling me from?"
She has had her cards returned from Ermas and has no ideas where she is, dead or alive. She does have adresses for Imogene who lives in Texas and Hazel who live in New Mexico. They are now current but she is going to send them to me and I will try through my Phone Book CDs to locate them. Bill, her husband is not doing well and part of his problem is the loss of the fingers of his left hand via a skill saw.
Hollis died in February of last year. He has been in a rest home all of these years. Sad for a man of his intelligence. I know
that his wife Berniece was a teacher and I believe that Hollis was a department head for the State in vocational training.
Dorothy said that Marie was now 94 and still lived by herself. I didn't tell her that I didn't know who Marie was but probably a sister. I"m sure that you know that Dorothy and Hollis were children of Nora. I met Nora only once in Lansing when she was visiting Richard. I was probably 10 years or so old and we had a model T Ford.
On the way home, we were going very slowly behind a road grader on the gravel road between Lansing and Grand Rapids. Our Ford hit the berm thrown up by the grader and turned over. The grader came back and we uprighted? the car and went on our way!
I reread your letter and of course you knew of Nora!

Dear Al and Roena:

Not much new here! My golfs lousy and bowling not better, at least, the weather is great. (except for a little earthquake now and then!)
How's your arm, Al? I suppose that you are fully recovered. We're all in reasonably good health, just the oldage problems.
I guess, after reading the papers in detail that you sent me on grandpa James, that I found where Fort Wagnor (Fort Waganor was) The discharge talks of his being injured by cannon fire from James Island. James Island is in Charleston Harbor.
We had a letter from Mildred. She says Harlan is fine though he doesn't drive. She had a letter from Irma but could barely read it. Irma had told me that her eyes were failing but she didnt say~~s~~ whether it was

cataracts or what. Mildred tell us that O. D. Bayes died in Mesa, Ariz and was buried north of Shepherd, Mich.
Fayne and Winnie came to visit from Spokane and to visit with their son Greg in Watsonville. We also had visits from old friends from Modesto and from San Mateo. We are finally alone (temporarily)! I've got yard work to do so will get at it (as soon as the golf match is over!).

Hi folks - All pretty good here. Nanette is home with her cats & ready to leave for Nepal on Thursday. She will fly from Bankok for a week & a half in Greece after her "trek". All we can do is hope all goes well for her.

Haven't had a chance to do much research, but hope we can get to the archives soon. Much love - keep in touch -

Dear Al and Roena:

Spring has sprung and it looks like the rain we didn't get is over. It has been °70 to °80 the last few days; just in time for Fayne and Winnie to come and enjoy our beautiful weather. When they left Spokane, Washington it was °35 during the day. They would move to California but their house which would sell for $85,000.00 in Spokane would cost them at least 150 or 160,000.00 here in the Bay area.

I suppose that you heard of O.D. Bayles passing away in Mesa, Arizona. Not many Bayles cousins left.! O.D was buried in Clare, Michigan. Mildred and her son Jack went to the funeral.

Mildred's brother-in-law, husband of Irene, died in February. Harlan had a stroke and apparently is feeling poorly since.

Mildred sez that her mothers father was Adam Balser and her mother, Esther Crow Balser. She doesn't know where they were born but says that there is a Balser monument in Switzerland.

We got Wayne moved into his new duplex and he is happy as everything is clean, newly painted and he has a small enclosed yard and a garage.

Nanette is moving back to Fairfield in April and she will go on her trek to Nepal before she looks for a new job. Her brother Mark is now working for the Oakland A's and living in Walnut Creek with his wife Wendy.

Nancy finished her student teaching and will work on a ~~st~~ salary this summer at the same high school. Then in September,

the day of reconning; she'll look for a job and work on her masters degree. Tom still doing ok and comes home every couple of weeks with his washing and for a square meal.

Wayne bought me a new bowling ball for helping him move and setting up his new 27 gal. fish tank. Maybe I can do better with a round ball.

Francines bones are creaking and she is in a lot of pain. Sure wish I could help her some how but if the Drs. can't - well!

Well, Al; I hope that you are feeling better and your arm has regained its strength. Boy, I tell you - old age isn't for the weak!

Oh, yes; this article was in the S.F. Examiner and is this the same Fort Wagoner (Wagner) from whence James Bayes was discharged and got his finger blown off? The dates match up apparently. Sure wish some of these

grand and great grandparents were around to help us out.
Take care of each other, you two and let's hear from you.

Hersch + Francine

Hi you two –

Surely hope the weather is well on its way to spring there. We would really have rather had more rain – but since we can't do much about it – might as well enjoy – We did windows & curtains today & then H. was off bowling. Golf tomorrow – he does keep busy. Sorry about the writing – I hope this will clear up again so I can communicate a little better on paper. Much Love – keep well

I hope this finds you all well and enjoying beautiful Fall weather. Weather has been really great here although we did expect a storm recently. Luckily the jet stream took it North & only dropped a little moisture here.

I'm sorry I didn't write sooner, but have really not felt very well. We both came home with a "bug" and mine turned into bronchitis and Hersch was able to keep it on the level of a head cold.

Dear Bayes'-all three:

Never thought I'd be writing letters on New Years; must be getting old! Had my first date with Francine, 49 years ago tonight and sure didn't spend it writing letters!
It looks like you were having better weather than we. 32 low and 40-42 high is very unusual; and no rain.
Christmas was great, especially having everyone here. Nanette had to go back to Malibu yesterday and Nancy will go back to U.C. Santa Babara on January 3. We hoped that the girls could go together but no luck.
Frans niece and husband leave for Washington on the 3rd and her brother and wife will stop by after leaving the kids off at the airport. Don't know

whether we told you but Nancy, Frans neice, will be an attorney with one federal department or another; she has 4 offers. Her husband Carl, will be an aid to Wm Clark. We gave them your address and you'll probably see them in the spring.

I'm sure that you are right about picture #3, Martha and her husband, Mikesell. Every feature is the same.

I'll write to Mildred tonight, too. She was in an accident (automobile) and the way that she explained it, it sounded funny. It apparently wasn't however, for the driver had a broken hip and Mildred says that she had a very sore and tender rear end.

I guess that I'll write to Anna tonight also. I wanted to find out where Darrel's son is in California. Maybe he's near by.

I guess I forgot to ask you about the

history of the glass that you gave us. I want to stik a note in it so the history won't be lost.

49 years ago we walked Market street with thousands of other people for several blocks and this, near midnight and several inches of confetti. One would take life in hand to try it now days. you'd either get knifed, robbed, raped or all three. I'll start the fireplace and watch the nuts on T.V.

Best of wishes to all three of you for 1985. and

1/1/85 Dear all -

Well, it was a nice quiet evening that ended by watching "Best of Carson". We've been watching Masterpiece Theatre "Jewel in the Crown". Hate to get hooked on a 14 part series, but someone will tape it if we are gone. Hope to get down to see Lilabeth + the children in Santa Barbara in Feb. We couldn't go in Nov. as hoped, as I came home with bronchitis + couldn't shake it. If we get down there, we may go as far as Arizona. Depends on the weather.

Hope you will come out this year. Can't guarentee the weather this year — it has been completely turned around so far. One of the hottest summers on record, earliest winter + one of the coldest. Lots of rain in Oct. Nov. + Dec — now for a while nothing. As long as the snow pack continues its not too bad for us. Last winter we had very little rain after Dec. but the mountains had a record snow pack, therefore we had enough water for the year. Still rather have the rain too.

Take care + keep in touch —

Love

F.

P.S. Have some pictures will send.

A great surprise for me was this get together of children and grandchildren. I had insisted that no big deal be made of my birthday. I would be more than happy with birthday cards. The granddaughter on the left is a high school teacher and she and her husband wanted to come and bowl on that day. That sounded good so off we went and darned if when we got to the alleys, the rest of the gang was there except Millie Girl, my daughter Rosalind and her husband who has Parkinson. Even the bowling alley was in on the act for they let us bowl free which would have cast the gang about $60.00.
When we got home, there was the lunch and the cake and the Super Bowl. Nice and sunny here but cool. Played billiards up at the club house this afternoon, took an hour nap, had dinner and here I am.
We have a group of people in the park who have computers and we meet twice a month for an hour and bring our problems and questions and speak a language that wasn't taught when I was in college! One of the men is a professional and he keeps us squared away and is of a great help. And so on and so on.

Hersch

Oh yeh. I received the TOMBSTONES INSCRIPTIONS from Kathy Signeur and I am surprised at the number of Bayes and descendants that we missed when we were there. Even saw the inscription of Bottom Year whom I fired as superintendent of my Juvenile Hall for misconduct.

Dear Roe"

My birthday which I tried to keep low key didn't work out and all of the daughters and most of the grand kids showed up with the cake, presents and "good cheer. I got my surprise!
I thought that I was meeting two of them at the bowling alley and when I got there, there eight. When we got home there were the rest. What a great family. I am so happy that I have lived long enough to see them all grow up and be productive citizens. Teacher, banker, doctor, computer engineer, software engineer,stock broker, etc. A long ways from a lowly chief probation officer!
I hope that I have the right address for the letter of yesterday came back. I tried a "gang "letter" and lost them all!
I received book from Kathy Signuer "Tombstone Inscriptions" Fulton County. I was pleased to see that they called the cemetery in Wauseon, the "Bayes Cemetery." When Francine and I were there, the name on the entrance did not reflect that name. I don't remember what the heck it was; maybe just "cemetery."
The girl on the left of the ol' mam is Nancy Ann Day, the daughter of my youngest daughter, Michelle. She is a biology and chemistry high school teacher. The one on the left is Annette Conk, the daughter of my middle daughter, Roselind. She is assistant manager o the Bank of America in Tahoe City.
If it seems like I brag on my family, darn right!
